Dairy Rd. is a two-lane roadway with one lane for northbound traffic and one lane for southbound traffic. The roadway is divided by solid double yellow lines. There is also a marked bicycle lane, and a raised concrete sidewalk to the east and west side.

When I arrived on scene I observed the intersection of Hutchinson Dr. and Dairy Rd. closed off by crime scene tape. I noticed Dairy Rd. was completely closed to through vehicle, pedestrian, and bicycle traffic. In the middle of the road on Dairy Rd., approximately 30 feet south of Hutchinson Dr., was a debris field consisting of clothing, shoes, bicycle helmet and tarot cards.

Parties:

Party #1 (B1,) - I was told the involved bicyclist, later identified as , had been transported by AMR unit 313 to UC Davis Medical Center. B1 [REDACTED] was pronounced deceased at 0933 hours.

Vehicle #1 (V1, Electric Bicycle) [REDACTED].

Party #2 (D2,). The driver of the garbage truck (V2), was identified by a valid California Driver's license as . D2 was still at the scene and was speaking with UC Davis Detective E. Schneider. I was standing by as Detective Schneider was speaking with D2 about consenting to a blood draw. D2 told Detective Schneider he would consent to the blood draw. Detective Schneider drove D2 to have the blood draw done. Detective Schneider told me he would take possession of the blood sample and book it into evidence at UCDPD. Although a blood sample was taken, there was no indication that was impaired or under the influence of alcohol and/or drugs.
